

When/Where you get older, plainer, saner
When you remember/forget all the danger we **came** from
Burning/Falling like embers, falling, tender
Long before the months/days of no surrender
Days/Years ago and well you know

Smoke 'em if he/you **got** 'em
'Cause it's going/coming down
All I ever **wanted was** you/they
I'll never get to hell/heaven
'Cause I don't/doesn't know how

[CHORUS]

_____ raise a glass or _____
To all the things I've _____ on _____
Oh oh
Tell me _____ they _____ on you?
Oh oh
_____ that you could cut me loose
Oh oh
After _____ I've lost on _____
Is that lost on _____?
Oh oh
_____ that lost on you?
Oh oh
_____, is that lost on you?
Is _____ lost on you?

Wishing I could notice/see the machinations
Understand the toil of expectations in your head/mind
Hold me like you always/never lost your patience
Tell me that you love/want me more than hate me all the time
And you're/we're still mine

- () 'Cause it's going down
- (1) So smoke 'em if you've got 'em
- () Let's take a drink of heaven
