

b) What are the effects of pollution on the environment and on the people?

Look at the labeled pictures and complete the table:

Effects of pollution on people	Effects of pollution on the environment

2) a) Now, with your partner read text1 and text 2 and find out the causes and the effects of each type of pollution

TEXT 1

Because factories release fumes, the air people breathe gets polluted. Other well-known effects of fumes are smog, acid rain and holes in the ozone layer.

TEXT 2

Living in noisy overcrowded towns has become dangerous **because** everyday exposure to noise can cause headache, earaches and may lead to deafness.

Text	Type of pollution	causes	effects
1			•
		3
