I'm Harry. There's a small farm next to my house. There are lots of animals. My favourite animal is a sheep. It's white and it's got four legs. There are eight goats and five cows. The goats are white and the cows are brown. There are some hens and ducks. There aren't any horses. Today's cold and rainy. The cows and sheep are under the trees. I'm in my bedroom. I don't like cold and rainy days.
