Hi Ian,

How are you? I'm going to tell you what I do every day at home.  
I live in Enfield. I live in a four bedroom house with my husband and two kids.  
We have a large garden with a swimming pool.

This is my living room. We spend most of our time here.  
Every morning after breakfast I watch the news on my wide  
screen television. I watch BBC News and Al Jazeera. It's important to know  
what's going on in the world.

This is my kitchen. It's where we take turns to cook meals.  
I don't really like cooking but we all need to eat. I cook lunch  
every day but not at the weekend. My favourite dish is paella.  
My husband cooks at the weekend. He loves cooking.

This is my garden. There are so many different plants. It keeps me busy.  
Every weekend I do some gardening. It's hard work taking care of the  
plants. I cut the grass once a month in the summer. I don't cut the grass  
in the winter because it's too cold. I usually swim a lot in the  
summer. It's very relaxing and it's good exercise too.

This is our spare bedroom. I usually paint in this room. Painting is my hobby. Every  
evening I am here painting a picture. I like painting pictures of beautiful scenery and  
of the countryside.

Tell me about your day.

Best wishes

Bozena
