10. Read the reading carefully as many times as necessary for your understanding:

Julie believes in herself

Let me introduce myself. My name is Julie and I believe it is very important to believe in yourself. I believe in myself I think everyone should believe in himself or herself. If people believe in themselves it is one of the first steps to success.

If we believe in ourselves it will be easier to be successful.

If the road to success is long, we shouldn´t feel sorry for ourselves. We should teach ourselves to be patient.

I have taught myself to be very patient and am proud of myself for being able to do this.

My brother is very successful. He works for himself. He has taught himself if how to be a good businessman. He believes everyone should look at themselves in a mirror and say I am proud of myself. He also thinks you should take care of yourself by enjoying yourself and never blaming yourself for things that are not your fault. He says that if you teach yourselves how to the above you will surely be on the road to a positive outlook about yourself.

11. Based on the previous reading, answer the following questions with True or False:

I. Julie thinks that we should love ourselves. _____

II. According to Julie, the first step to success is walking with yourself._____

III. She considers her brother successful because he works for himself. _____

IV. Julie´s brother thins we should always blame yourself for the things you are doing._____

V. The teaching of the text is: " If you love yourself you can achieve everything ".____

12. Write a short text where you explain the importance of accepting yourself
