As Stan rested on his grass, he spotted a red and black thing. Stan jumped and yelled, "Snake!"

Stan raced up the steps. Then he spotted Bev sitting on his deck. "Stop running. It is fake," Bev said

grinning. Bev had dropped the fake snake on Stan's grass.

Stan sat back on his grass. He was glad the snake was fake. Then Stan spotted a huge black bug hopping at him. "That fake black bug is from Bev," Stan said.

The fake black bug hopped on Stan's leg. "That is a nice trick, Bev," yelled Stan.

Bev came and sat next to Stan. Bev picked up the black bug.

"Stan, the black bug is not fake," Bev said.

Stan jumped and raced up the steps. Bev smiled. "But the black bug is nice," Bev yelled.
