Reading Comprehension

Hi Jude,

Do you remember the park where we played football last summer – the one with tennis courts? Well ... yesterday I went there with my brother Tom. (He's the one who is crazy about skateboarding.) It was a very hot day and we wanted a drink of lemonade, so we went to a café. It was very busy and we were impatient because we were so thirsty. We waited twenty minutes and then the café closed! There was no more lemonade. We were very disappointed and decided to go home. Suddenly we saw a small dog barking in the park. I was very surprised because it was my neighbour's dog. But where was my neighbour? We took the dog to my neighbour's house. She was very pleased and gave us a big glass of lemonade to say thank you.
