bruises

1665

100,000

locked

cross

quarantine

fleas

In \_\_\_\_\_, a disease attacked London. This illness started in China and was transmitted through \_\_\_\_\_ that lived on rats. It spread quickly through trade.

Victims had symptoms including fever, coughing up blood, and painful \_\_\_\_\_. They generally died within days of catching the illness.

The King enforced a \_\_\_\_\_. If a person was infected, his or her family would be \_\_\_\_\_ away in their houses. A red \_\_\_\_\_ was painted on their doors to distinguish it.

Around \_\_\_\_\_ people died from the Plague.
