When you look at this lovely house in the Welsh countryside, you may think it's a picture from J.R.R. Tolkien's book "The Hobbit". In fact it's a real house designed by a real person. When first son was born, Simon Dale's wife, Jasmine, said:	THEY
"I wish we in the country. It would be so good for the baby".	LIVE
However, they enough money to buy or rent a house in the country so they decided to take matters into their own hands.	NOT/HAVE
The house by Simon himself, with a bit of help from his friends. The result was impressive.	BUILD
The home is made from natural materials, such as wood, stone and mud. It uses solar panels for energy and its water from a nearby spring.	COME
It took Simon four months to complete his fairytale home. He managed to create a modern wooden eco-home — one of the houses you can imagine.	WONDERFUL
Simon Dale said, "I working on a new house of the same eco-style.	START
My house will be smarter than the first one.	TWO
My son five now and I hope to celebrate his tenth birthday in a new house."	BE
