

7 Continents Song

The world is split up into continents; there are 7 in all.

And if you get the gist, we're gonna make a list from biggest to small:

They are:

Asia, Africa, North and South America,
Antarctica, Europe, and finally Australia.

Asia, Africa, North and South America,
Antarctica, Europe, and finally Australia.

Put the continents in the correct spaces below:

Europe	Asia	Antarctica	Africa
North America	Australia	South America	
Hey! My name is _____ and over half of the world lives here, but whatever.	And I am _____ with desert for miles and my Nile is the longest river.	_____ Start down in Panama, wide open spaces, all the way to Canada!	I'm _____ with animals galore, where the rainforest really grows 'cause the rain really pours!
I'm _____ and I'm totally ice.	And I'm _____ You're welcome for the pasta, pizza, waffles, and fries.	I am _____ Some call me Oceania. I got lots of islands, too many to explain to ya.	We are Asia, Africa, North and South America, Antarctica, and Europe, and finally Australia.
