Listening Part 4

Listen to the conversation and answer the questions. Put a circle round the letter of the correct answer. Look at the questions. There is an example. You will hear the conversation twice.

Example:

Carl and Ana are trying to decide

a) where to work
(b) where to live
c) when to move

1. Which statement is true about Ana?

a) She works in the city.
b) She uses a computer.
c) She is looking for a job.

2. Ana is worried that Carl will have to

a) do all the housework.
b) change his job.
c) travel much more.

3. Ana and Carl agree that the countryside

a) is better for children.
b) is too far from the city.
c) has transport problems.

4. What is the main problem with Crickfield?

a) It's too far from work.
b) There's no train station.
c) The houses are expensive.

5. Ana thinks they should

a) buy somewhere very cheap.
b) spend more on a house.
c) stay where they are.

6. Carl suggests

a) moving twice.
b) not moving at all.
c) not moving to the city.
