### HIGHER EDUCATION IN THE UK

Students who have successfully completed an A-level course may go to university to do a three-or four-year course leading to a first degree such as Bachelor of Arts (BA), Bachelor of Science (BSc), etc. They apply to several universities which then (8) \_\_\_\_\_ an offer of a place specifying the minimum grades the student needs to obtain in the A-level subjects studied. Higher education is not free. In principles, students have to pay a contribution to the cost of teaching (tuition fees) and

have also to pay their living costs (maintenance). The government provides (9) \_\_\_\_\_ to help them pay for university education which have to be paid back from earnings once their income reaches a certain level. In recent years government policy has been to (10) \_\_\_\_\_ the percentage of 18-years olds who go to university, which is now, at 40% double the 1990 figure, but this growth has been at the (11) \_\_\_\_\_ of the amount of financial support given to individual students. Universities receive money from the state for each students and are responsible or employing staff and deciding which courses to offer. The head of a university, who is (12) \_\_\_\_\_ for its management, is called a vice-chancellor.
