READING

1) Clare was reading an online article. Read the text:

BE STREETWISE AND STAY SAFE

Many street crimes happen because people aren't careful. There are few things you can do to stay safe

TIPS

- Don't walk in quiet areas alone at night.
- Don't leave your things in a public place.
- Don't carry a lot of money in your bag.
- Don't wear expensive jewelry.

READ TWO VICTIMS' STORIES...

Dan was walking home alone after basketball practice. "It was late and there was no one around. I was walking down a small street when I saw two boys. They were walking towards me and they were laughing. While I was walking past, one boy hit me and pushed me down. They stole my backpack and ran away. I didn't chase them because it was dark and I was scared. I reported the robbery to the police, but they didn't catch the thieves. I don't know if they investigated it."

Isabelle left her bike outside a store while she was shopping. "I didn't lock my bike because I was only in the store for a few minutes. I was looking out the window while I was waiting to pay. A man was standing near my bike, but he wasn't doing anything. I wasn't worried. But when I went outside, the guy was riding away fast on my bike. I chased him, but he disappeared quickly. I reported it to the police, but nothing happened."

Now, answer the following questions: (6x3=18)

a. Why are there many street crimes?
