

## Naming Notes and Values

Name each note using the correct English and British terms. Then insert the correct note values.

| <u>English Terms</u> | <u>British Terms</u> | <u>Note</u>                                                                         | <u>Values</u> |
|----------------------|----------------------|-------------------------------------------------------------------------------------|---------------|
| 1.                   | 5.                   |    | 9.            |
| 2.                   | 6.                   |    | 10.           |
| 3.                   | 7.                   |  | 11.           |
| 4.                   | 8.                   |  | 12.           |
