

MAT'S BLOG

Hello! Welcome to my blog! Today I have two posts for you: Gaten Matarazzo from *Stranger things*, and Kevin from *Kevsho*. Enjoy!

Hello everyone! My name is Kevin, and my YouTube channel is Kevsho.

These are my favourite objects. This is my bag, it's blue and red. I love blue and red because I'm a Barca fan! 🏆 I'm from Argentina and I love Lio Messi. Lio's t-shirt is number 10 and in my house I have a Barca t-shirt, that is my favourite t-shirt!

And look, these are my school objects. I love books, and this is my e-book. It's small but great. And these are my pencils, erasers and a ruler, they are not very special. 😊

Hi! My name is Gaten, and I'm an actor in *Stranger things*, the Netflix series! These are my favourite school objects. I am in a technical school in EEUU 🇺🇸 and my favourite school objects are my technical drawing board, my protractor, my mechanical pencil and my triangle. This is my school bag, it's small and old, but I like it! I'm 17 years old and I use braces 😞. Look, these are my braces. They are horrible, but I need them!
