

FINAL EXAMINATION

FEBRUARY 2021

TRANSCRIPTION

Dear Mrs. Price:

I know it's not long from the interview, but we are able to inform you that we thought your performance was very strong and you got the job. We were fascinated by your confidence and the marked improvements you carried out on the projects and designs.

This is a formal offer and we are enclosing the contract.

I will be in the office on Tuesday, Wednesday, or Thursday. Please inform us if you are interested and we hope you'll be part of the team shortly.

I look forward to hearing from you soon.
