Once upon a time there was a green ogre. He lived in the middle of the forest. His name was Shrek.

Shrek had a house next to a lake. In the house he had a very big bed, a big table and a wooden trunk. Outside the house, there were no flowers. They didn't grow there because the forest was dark and there was no sunlight.

One day, a small animal knocked at his door. He was called Donkey. This little animal visited Shrek every day and said that he wanted to be his friend. At first, Shrek didn't want to speak to Donkey because he talked too much, but as time passed he started to like Donkey and they became best friends.
