- 19 A _____ change on a room's thermostat can save \$120 annually.
- 20 Smart heating controls allow people to use a _____ to control the heating in their houses.
-

SECTION 3 Questions 21 – 30**Questions 21 – 25**

Match the information with the source in which it can be found.

*Choose **FIVE** letters, **A - C**, and write them in boxes **21 – 25** on the answer sheet.*

Information

- 21** More relevant numerical data
- 22** Pest control
- 23** Planting more trees
- 24** Agricultural expansion
- 25** The beef industry

Sources

- A** The Green Pastures
- B** Journal of Environmental Management
- C** The Diminishing Forest and/or its Website

Questions 26 – 30

Complete Kate's notes below.

Write **NO MORE THAN TWO WORDS** from the listening for each answer.

US Potential Action on Transgressions of Environmental Law**Civil Actions***Civil Administrative Actions (CAA'S)*

Action taken by a state and with no legal (26) _____.

CAA'S can be: a notice of violation.
 an order directing an individual, business or other organisation.
 with or without penalties.

Civil Judicial Actions (CJA'S)

CJA'S are formal lawsuits against people or entities that have failed to:
 follow statutory or regulatory requirements.
