The image displays three rows of number patterns, each consisting of a sequence of boxes connected by dashed orange arcs. The first row has a constant difference of +10, with known values 100, 120, 140, 160, and 180. The second row has a constant difference of +5, with known values 105, 115, 125, 135, and 145. The third row has a constant difference of +2, with known values 100, 104, 108, 112, and 116. Each row contains five empty boxes for missing numbers.

Row	Pattern	Box 1	Box 2	Box 3	Box 4	Box 5	Box 6	Box 7	Box 8	Box 9
1	+10	100		120		140		160		180
2	+5		105		115		125		135	
3	+2	100		104		108		112		116
