You're the Star emailed 100 readers and asked them what they did on their last holiday. Many people were surprised by the results. For example, a lot of people who said they had a boring holiday really had a great time according to the survey. Sometimes we focus too much on bad experiences and ignore the positive ones. Here are the results!

My last holiday was great (15 people)
 OK (75 people)
 not very good (10 people)
