Tom's day

My name is Tom and I **was** at the park with my friends yesterday morning. We **were** happy because the weather **was** sunny and hot. The park **was** so clean and green, and the flowers **were** beautiful, but we **were not** alone because my mom **was** with us.

In the afternoon my mom and I **were** at my grandmother's house because she **was** sick, and she **was** in bed. Fortunately, she is very good today. At night we came back to my house and I went to bed early because I **was** so tired
