*Vampirina* is a brand-new animated Disney series about a little girl and her family who have moved from Transylvania to Pennsylvania. Vampirina is a loving character. She is new in the area and she is trying to adjust. She is nervous because she thinks she is not going to make friends in her new home, Pennsylvania. After all, she is a vampire in a human world. She has two friends, Gregoria and Demi. Gregoria takes care of her and guides her when her parents are away. She is often angry and sarcastic, but she loves Vampirina and likes spending time with her. Demi isn't very intelligent, but everybody loves him very much. Boris, her dad, is very active, very optimistic and sweet. Oxana is a nice mum and really wants her daughter to feel comfortable in their new city.
