

Worksheet - Recycled Material

Join the sequence words with the steps to make a piggy bank. There is an example.

Cut out shapes for the ears. Glue FIRST them to your bottle.

> Cut a strip of paper long enough to wrap around the bottle.

Draw the eyes with a permanent marker. Now you have a piggy bank.

Cut a slot in your bottle approximately 2cm wide.

Make two circles in a different coloured paper. Glue these to the bottle cap to make the pig's snout.

Wrap the paper around the bottle and use a pencil to trace over the coin slot.

Glue the paper in place and then use your knife to cut out the slot.
