Monica's talented family.

Everybody in my family has got a talent. My dad composes music, and plays the piano and the violin. My mum was an acrobat. My grandpa was an artist. My grandma was a famous opera singer, and I am a ballet dancer.

My dad was a music school student for 12 years, and he learnt how to play the piano and the violin well. He also studied music at the Academy of Music, where he learnt how to compose songs and conduct an orchestra.

My mum went to a special circus school where kids learnt acrobatics. She stayed there for 8 years and had a really hard time. She had training sessions in the mornings and the late afternoons six days a week, and from 10 a.m. to 4 p.m. she had ordinary lessons such as Polish, English, maths, biology, history, etc. She says that she broke her legs and arms many times, but she loved being an acrobat. She felt great when she could perform.

My grandpa did not finish a special art school. He was a history teacher, but he loved drawing and painting and he was really good at painting portraits.

My grandma was a real star. She travelled all over the world and performed in opera houses in New York, London, Milan, Tokyo and Sydney. Magazines wrote about her and she was very famous. Her career ended when my father and his twin brother were born.

Well, I love dancing and I go to a ballet school where I learn classical dancing, modern dancing and folk dances. I train a lot because one day I would like to perform with the Royal Ballet in London. I would also like to learn how to draw well.
