

# Worksheet

## Listening

Arrastra cada numero a cada imagen en el orden correcto.

1 2 3 4 5 6

Now match each description with each picture.

☐ It's a high rock face and in some places there's water falling from it. When it's very high, some people jump from it with a parachute.

☐ It's a piece of land with water all around it. It can be small or big.

☐ It looks like a mountain, but it's very hot inside. It can be active, dormant or extinct.

☐ You can find these in mountains, rocks and in the sea. They are usually dark and often there are bats living in places like this.
