SKILLS

Essay writing, organising ideas

Check the SB p.66& 67

According to some experts, computer use by children should be limited to no more than an hour a day. They claim that this will prevent a technology addiction. It also gives them more free time to do other things, such as sport, which will help keep them strong and healthy.

Write an essay discussing the pros and cons of children spending lots of time using computers, smartphones or tablets.

Don't forget to use the Useful Expressions box on page 67!

EXTRA MATERIAL

"In hindsight" means "looking back", for example: "In hindsight, I shouldn't have eaten the whole bar of chocolate".

Captain Hindsight has the super power of amazing hindsight! What does captain hindsight say, what should have been done or what shouldn't have been done?
