

Independent Practice: Choose the BEST person to be the head of the Streets and Sanitation Department of the city.

If you were the mayor of Chicago, who would you choose as the head of the Streets and Sanitation Department?

			
<p>Kate is the mayor's mother. She has never worked to clean streets. She is kind and loves the mayor.</p>	<p>Jake is the mayor's friend. He picked up trash in his own yard. He can be mean sometimes and yells at others.</p>	<p>Robert has worked as a trash collector for 15 years. He is a good listener and the people he works with say he is responsible.</p>	<p>Mary has worked as a trash collector for 2 years. She is new to the job but does not listen to others well.</p>
