We \_\_\_\_\_ (not) homework, so we \_\_\_\_\_ all the afternoon there. Everything was normal, but suddenly, our dogs \_\_\_\_\_ to run and we \_\_\_\_\_ (not) where they were.

After some minutes, we \_\_\_\_\_ them barking. We \_\_\_\_\_ quickly and we \_\_\_\_\_ them in front of a cave. There were noises.

We \_\_\_\_\_ it because we were very scared, but we finally \_\_\_\_\_ to come in. What \_\_\_\_\_ (we) ? There were two baby bears.
