

Read the text and answer the question according to it.

Dear Diary,  
Today, I'm so unhappy, because I had an extraordinary problem with Neil. You know that he was one of my best friends at school, but I heard that he told one of my secrets to another friend and this made me feel sad. On the other hand, I still like him very much... Actually, we always share our secrets and he never tells them to others. We count on each other. Moreover, he often backs me up or I also back him up if we need help any time. Anyway, I think he made a simple mistake, but real friends should tolerate each other, so I need to forgive him in a short time.

Jack...

1. Which one is TRUE according to the passage above?

- A) They never trust each other.
- B) Jack'll probably forgive Karen.
- C) Neil backs him up, but Jack doesn't.
- D) Neil didn't tell Jack's secrets to others.
