TIPS FOR CHOOSING THE RIGHT CAREER

The vast array of choices can also make it tough to make a ¹ _____! Here are some tips that can help you to choose the right career:

- Ask yourself what you are passionate at. If you can turn your ² _____ into a career then you have a satisfying work life ahead of you.
- Ask yourself what you think needs to be changed in the world. It may be easier to identify where you would like to see ³ _____ in the world.
- Consider what you are good at. Honestly assess what ⁴ _____ you excel at. Ask yourself what you would like to be the best at. This is something that you would be driven to do well at in your career.
- Take a career⁵ _____. There are many tests out there to help you choose the right career. Although they may not provide an exact answer, they can be a useful tool for narrowing down your ⁶ _____ and seeing what might work best for you.
- Speak to a career⁷ _____. These people are available to assist you in figuring out what career options are realistic for you.
- Brainstorm a list of careers you may enjoy. Go through the list and ⁸ _____ them. Take the first three and do further research into them to choose the career ⁹ _____ that seems right for you.
- Shadow people in various careers. It can be tough to choose a career based only on theory or ¹⁰ _____ interest. This gives you a realistic picture of what the career will be like so you can get a sense of whether or not it's right for you.
- Attend career talks and ¹¹ _____. Learn firsthand what people are doing in different careers. Ask questions about the ¹² _____. This information is invaluable when making a decision.
- Ask your friends, family, teachers and employers what they think would be a good career for you. A third party ¹³ _____ can be very helpful.
- Ask yourself if there are any ¹⁴ _____ activities or classes you have really enjoyed in the past. Can these be turned into a career plan?
- Reflect on the difference a career and a job. A career is a ¹⁵ _____ plan that isn't limited to working for a specific company or in a specific position. Sometimes people make the mistake of choosing just a job that sounds good and thinking that is a good career plan.
- Review the¹⁶ _____ requirements your career. Some people think a career path sounds great but then see how much schooling is required and change their minds. Do your research to choose a career that will be realistic for you.
- Think about the ¹⁷ _____ aspect. Many people try to choose a career based solely on their personal interests. If that can't support you financially then you may end up disillusioned with your decision.
- What great perks would you love to have from your career? Would you prefer a flexible ¹⁸ _____ or the ability to work at home? Do you want a job that allows you to travel the world? Identifying these perks can help narrow down your options so that you can choose the right career path.
