Hey, girl, is he everything you _____ in a man?
You know I _____ you the world
You had me in the palm of your hand
So why your love went away

I just can't seem to understand
Thought it was me and you, babe
Me and you until the end
But I guess I was wrong

Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way

Just so confused about it
Feeling the blues about it
I just can't do without ya
Tell me, is this fair?

Is this the way it's really going down?
Is this how we say goodbye?
Should have _____ when you _____
That you were gonna make me cry
It's breaking my heart to watch you run around
'Cause I know that you're living a lie
That's okay, baby, 'cause in time you will find

(...)

Now girl, I remember everything that you _____
You said that you _____ now
And maybe I should do the same
Funny thing about that is

I was ready to give you my name
Thought it was me and you, babe
And now it's all just a shame
And I guess I was wrong

Now girl, I remember everything that you _____
You said that you _____ now
And maybe I should do the same
Funny thing about that is

I was ready to give you my name
Thought it was me and you, babe
And now it's all just a shame
And I guess I was wrong

Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way

Just so confused about it
Feeling the blues about it
I just can't do without ya can you tell me, is this fair?

Is this the way it's really going down?
Is this how we say goodbye?
Should have _____ when you _____
Should have known better that you were gonna make
me cry
And now it's breaking my heart to watch you run
around

'Cause I know that you're living a lie
That's ok, baby, 'cause in time you will find

Let me paint this picture for you, baby

You spend your nights alone And he never comes
home
And every time you call him All you get is a busy tone

I heard you _____
That he's doing to you what you did to me
Ain't that the way it goes

You cheated, girl
My heart bled, girl
So it goes without saying that you left me feeling hurt
Just a classic case scenario
Tale as old as time girl, you got what you deserved

And now you want somebody To cure the lonely nights
You wish you had somebody That could come and
make it right

But girl, I ain't somebody with a lot of sympathy
You'll see, see
