

CRAZY

Task 1: Drag and drop the missing words

I remember when

I remember, I remember when I lost my _____

There was something so pleasant about that _____

Even your emotions have an echo in so much _____

Mm-hmm, hmm

And when you're out there, without _____

Yeah, I was out of _____

But it wasn't because I didn't know _____

I just knew too much

Hmm

Does that make me crazy? x 3

Possibly

PLACE

SPACE

MIND

ENOUGH

TOUCH

CARE

Task 2: Click on the word you hear

And I hope that you are having the time of your **live/life**

But **think/sing** twice

That's my only advice

Mm

Come on **now/know**, who do you

Who do you, who do you

Who do you think you are?

Hahaha, **guess/bless** your soul

You really think you're in **patrol/control**?

Well

I think you're crazy x 3

Just like me

Task 3: Drag and drop the lines in the right place

To lose their lives out on a limb

My heroes had the heart

I wanna be like them

And all I remember, is thinking

Mm-hmm

And I can die when I'm done

Ever since I was little it looked like fun

Ever since I was little

And there's no coincidence I've come

But maybe I'm crazy

Maybe you're crazy

Maybe we're crazy

Probably
