- 4 Are the people sitting, lying or standing?
- 5 Is the animal facing the people?
- 6 What can you see in the background?

8 Read speaking strategy then listen the conversation!
Which advice does each student follow

Speaking Strategy

When you describe a photo, begin by saying what the photo shows in general. Then describe different parts of the photo using phrases like 'in the centre'. Remember to use present tenses in your description.

	Student 1	Student 2
1 begins by saying what the photo shows in general		
2 describes different parts of the photo		
3 uses present tenses
