Kings & Queens

Task 1: Drag and drop the words in order

If all of the kings had their queens on the throne

would raise toast We and champagne a pop

To all of the queens who are fighting alone

own, not your dancin' on you're Baby

Task 2: Click on the incorrect word and correct it

Can't life without me, you wanna, and you can't, no, no, no _____

Think it's funny, but money, can't run this show on your own _____

I can fell my body shake, there's only so much I can take _____

I'll show you who a real queen behaves, oh _____

Task 3: Match the two halves

No damsel in distress,	I'm weak without a sword
Once I start breathin' fire,	it'd be bigger than yours
And you might think	don't need to save me
But if I had one,	you can't tame me

Repeat Task 1

Task 4:Click on the word you hear

Disobey me, then baby, it's off with your **head/heart**

Gonna change it and make it a world you won't forget,

No damsel in **distress/stress**, don't need to save me

Once I start breathin' fire, you can't **tame/save** me

And you might think I'm **weak/sick** without a sword

But I'm stronger than I **even/ever** was before

Repeat Task 1

Task 5: Drag and drop the missing words

In chess, the king can move one space at a _____

But queens are free to go wherever they _____

You get too close, you'll get a royalty _____

So breathe it in to feel the _____

LIKE HIGH LOVE TIME

Repeat Task 1
