

# WALK CYCLES PART 5D

## The Write Tribe

### **REWARD: \$10 WB**

In order to receive \$10WB, you have to get all answers correct. There will be no bucks awarded if there's one error. Kindly check your answers thoroughly before clicking finish.

| word/phrase          | meaning |
|----------------------|---------|
| <b>teeter</b>        |         |
| <b>shuttled</b>      |         |
| <b>linger</b>        |         |
| <b>lag behind</b>    |         |
| <b>trailed after</b> |         |

|                                                                        |                                  |                                                                                                    |
|------------------------------------------------------------------------|----------------------------------|----------------------------------------------------------------------------------------------------|
| move unsteadily or wobble                                              | to fail to keep pace with others | travel regularly between two or more places                                                        |
| stay in a place longer than necessary because of a reluctance to leave |                                  | to follow along after someone or something, especially in a diligent, dutiful or persistent manner |

**teetered**

**linger**

**shuttled**

**trailed after**

**lagged behind**

1. The tourists \_\_\_\_\_ their guide like a line of children trooping after their teacher.
2. The crowd continued to \_\_\_\_\_ long after the show ended.
3. The ferry \_\_\_\_\_ the travelers across the river.
4. She \_\_\_\_\_ down the street in her high heels, wobbling like a piece of jelly.
5. Greg and Jeremy \_\_\_\_\_ on purpose in order to escape scrutinizing eyes of their teacher so that they could explore the 'forbidden' trail.
