

## Sequence Worksheet 1

### Polar Bears

**Overview:** *Sequence* is one type of text structure. When a writer is using *sequence*, he or she is putting information in order of steps.

**Directions:** read each paragraph. A graphic organizer is used to show the structure of the text. Fill in the missing boxes with the appropriate info.

Polar bears are excellent hunters who eat lots of seals. First they use their sense of smell to find seals. Seals hunt underwater but must surface to breathe. Then polar bears wait for the seal to surface for air. They may wait hours for this. Polar bears are very patient hunters. Then, when the seal comes up for air, the polar bear grabs it.
