

They don't care about us

Michael Jackson

*Prophecy truth sue proclamation brutality aggravation kike skin
blackmail allegation segregation litigation trepidation garbage*

All I want to say is that they don't really care about us

Don't worry what people say, we know the

All I want to say is that they don't really care about us

Enough is enough of this

All I want to say is that they don't really care about us

head, dead head

Everybody gone bad

Situation,

Everybody,

In the suit, on the news

Everybody, dog food

Bang, bang, shot dead

Everybody's gone mad

All I want to say is that

They don't really care about us

All I want to say is that

They don't really care about us

Beat me, hate me

You can never break me
Will me, thrill me
You can never kill me
Jew me, me
Everybody do me
Kick me, me
Don't you black or white me

All I want to say is that
They don't really care about us
All I want to say is that
They don't really care about us

Tell me what has become of my life
I have a wife and two children who love me
I am the victim of police , now
I'm tired of bein' the victim of hate
You're rippin' me of my pride, oh, for God's sake
I look to heaven to fulfill this
Set me free

Skin head, dead head
Everybody gone bad
 , speculation
Everybody, allegation
In the suit, on the news
Everybody, dog food

Black man,
Throw the brother in jail

All I want to say is that
They don't really care about us
All I want to say is that
They don't really care about us

Tell me what has become of my rights
Am I invisible 'cause you ignore me?
Your promised me free liberty, now
I'm tired of bein' the victim of shame
They're throwing me in a class with a bad name
I can't believe this is the land from which I came
You know I really do hate to say it
The government don't want to see
But if Roosevelt was livin'
He wouldn't let this be, no, no

Skin head, dead head
Everybody gone bad
Situation, speculation
Everybody,
Beat me, bash me
You can never trash me
Hit me, kick me
You can never get me

All I want to say is that
They don't really care about us
All I want to say is that
They don't really care about us

Some things in life, they just don't want to see
But if Martin Luther was livin'
He wouldn't let this be, no, no

Skin head, dead head
Everybody's gone bad
Situation,
Everybody, allegation
In the suit, on the news
Everybody, dog food
Kick me, kike me
Don't you wrong or right me

All I want to say is that
They don't really care about us (we're deep in fire)
All I want to say is that
They don't really care about us (I'm here to remind you)

All I want to say is that
They don't really care about us
All I want to say is that

They don't really care about

All I want to say is that

They don't really care about

All I want to say is that

They don't really care about us
