**№2.** Установите соответствие тем 1 - 6 текстам А – Е. Используйте каждую тему только один раз (одна тема – лишняя)

1. Listen to an interesting story
2. Enjoy a beautiful view
3. Visit a legendary tower
4. Stay healthy
5. Don't be afraid of height
6. Try delicious food

**A.** Far East is a dream destination for many Russians, and Vladivostok is the heart of it. The city dates back to the 19th century. The best place for views is the Eagle's Nest Hill. It is the highest point in the city centre. Vladivostok is situated very close to the Russian-Chinese borders. That is why it's almost the only place in Russia where good Chinese food is widely served.

**B.** Altai is known as the 'golden mountains'. Ecotourism has become very popular here. Many agencies offer tours of the nearby areas. Tourists can go on a hike along the ways from local legends, they are told to visitors as they go. Sailing, kayaking and fishing are among other activities. Altai is also famous for its honey and herbs.

**C.** Yessentuki is a name you can see on the shelves of grocery stores around the world: this historical resort town gave its name to a brand of salty mineral water.

Since the 19th \_century the town has been popular with people who care about their health.

**D.** In the north-west of the Sayan Mountains, there is Stolby National Park. It is one of the most popular tourist spots in Siberia. The most attractive things to see in the park are its rocks and cliffs called with a Russian word 'stolby' because of their shape. The smallest cliffs are 55 metres high, while the highest go up to 600 metres. Rock-climbing has become very popular here.

**E.** Karelia, a republic in the north-west of Russia, is known as one of the country's most beautiful places. The nature here is fabulous and looks more Finnish than Russian, with lakes, waterfalls and trees growing on huge rocks. The most interesting spot here is Ruskeala Mountain Park with a marble canyon. The canyon is now a lake with crystal clear water, and there is also another lake which is underground. In summer there are light shows on the lake.

**№3.** Прочитайте приведенный ниже текст и вставьте вместо каждого пропуска нужную грамматическую форму, выбрав ее из списка.

#### Getting around Moscow by bicycle

Nowadays we can see more and more people                      along the streets of Moscow.

Cycling in the center of Moscow is still a dangerous prospect because of the hustle and the bustle of a big city. The traffic                      too heavy and the exhaust fumes are nasty.

The Moscow city bike network                      to develop rapidly a few years ago. Before that, stationary bike rentals were only found in some large parks and fewer people                      to ride the bicycles on the roads.

Not so long ago the city started a campaign to make the city                      for cyclists. In 2016 there were some 250 kilometres of bike lanes. And the city is going to paint additional 500 kilometres in coming years. If you plan to explore the streets of Moscow on two wheels on your own, you will find many different bike routes for pleasue riding, including Gorky Park, Vorobyovy Gory Nature Preserve, Sokolniki and VDNKh.

**№4.** Прочитайте приведенный ниже текст и вставьте вместо каждого пропуска слово из рамочки. Два слова лишние.

takes	beginnings	gives	competitions	snow	hang	end

### Christmas in Australia

In Australia, Christmas comes at the \_\_\_\_\_ of summer holidays! Children have their summer holidays from mid-December to early February, so some people might even be camping at Christmas.

Australians \_\_\_\_\_ wreaths on their front doors and sometimes go out carolling on Christmas Eve. People also decorate their houses and gardens with Christmas trees and Christmas lights. Neighbours sometimes have little \_\_\_\_\_ to see who has got the best light display.

As it is the middle of summer in Australia at Christmas time, the words in the carols about \_\_\_\_\_ and cold winter are sometimes changed to special Australian words!

When he gets to Australia, Santa \_\_\_\_\_ his reindeer a rest and uses kangaroos. He also changes his clothes to less warm ones!
