LOVER-Taylor Swift

We could leave the Christmas lights **after/up 'til** January

This is our place, we make the **rooms/rules**

And there's a dazzling haze, a mysterious **way/wave** about you, dear

Have **I known you/ a lonely** twenty seconds or twenty years?

Can I go **where/well** you go?

Can we always be this close **forever/wherever** and ever?

And ah, take me **out/up**, and take me home

You're my, my, my, my lover

We could **let/leave** our friends crash in the living room

This is our place, we make the **call/cove**

And I'm highly suspicious **that/then** everyone who sees you wants you

I've loved you three summers now, honey, but I want 'em all

Can I go **where/well** you go?

Can we always be this close **wherever/forever** and ever?

And ah, take me **out/up**, and take me home (forever and ever)

You're my, my, my, my lover

Ladies and gentlemen, will you please stand?

With every guitar **string/singing** s**car/star** on my hand

I take this magnetic **wars/force** of a man to be my lover

My heart's been **borrowed/forrowed** and yours has been blue

All's well/Answer that ends well to end up with you

Swear to be overdramatic and true to my lover

And you'll **save/say** all your dirtiest jokes for me

And at every table, I'll save you a **seat/seaf**, lover

Can I go w**here/well** you go?

Can we always be this close **forever/wherever** and ever?

And ah, take me **out/up,** and take me home (**wherever/forever** and ever)

You're my, my, my, my

Oh, you're my, my, my, my

Darling, you're my, my, my, my lover
