Hi Patrick,

Hi! How are you? I hope all is well with your family. I'm just writing to tell you about a fantastic concert I went to. It was brilliant.

It was in Manchester. I went with my older sister, Nina. We both love the band Radiohead because they write such interesting songs. There was a support band on first and they were quite good. I thought their show was entertaining. But everyone couldn't wait to see the main act, Radiohead. It was worth the wait though. They played lots of their old songs from the album 'OK Computer', as well as some of their latest stuff. Everyone was singing along to the songs and the atmosphere was fantastic. I had a really enjoyable evening and I even spent £20 on a T-shirt to remember the event!

It was a really tiring evening but it was wonderful. If you get the chance to see the band you really must go. They're amazing.

Write soon,

Timur
