

NOVEMBER RAIN – GUNS N' ROSES

When I lookin to your eyes
I can see a love restrained
But darlin' when I hold you
Don't you / You know I feel the **same/different**

Nothin' lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold **November/December** rain

We've been through this such a **long long/short short** time
Just tryin' to kill the pain, oo yeah
But/Because love is **always/never** coming and love is always going
And no one's really sure who's lettin' go **today/tomorrow**
Walking away

If/So we could take the time
To lay it on the line
I could rest my head
Just knowin' that you were mine
All mine
So if you want to love me
Then darlin' don't refrain
Or/And I'll just end up walkin'
In the cold November rain

Do you need **some/any** time on your own
Do you need some time all alone
Everybody needs some time
On their own
Don't you know you need some...
