My name's Frank and I'm fourteen years old. I'm a paperboy. I work from 7 a.m. until 8 a.m. from Monday to Friday. Then I go to school. I

don't like my job, but I like the money. At Christmas, I get a lot of tips.

My friend Max works as a cleaner in a

restaurant. He works on Saturdays from 11 a.m. until 6 p.m. He gets £4 an hour, but he doesn't get tips. He likes his work.

My sister, Rachel, works as a babysitter. She does it on Fridays and Saturdays. The people she works for have got a big television and there is a lot of nice food like biscuits and crisps. She gets £10 for an evening. The only bad thing is that the children are noisy.

My cousin, Teresa, works as a shop assistant. She's 19 and she's at university. She works in the evenings and she gets £120 a week! She doesn't like her work, but she lives in a flat and it's expensive.
