Hey, Isa,

How is it going? I hope you're fine. OK, to answer your question about my weekends. On Saturday, I \_\_\_\_\_ up late and \_\_\_\_\_ TV or \_\_\_\_\_ to music. **Then** I \_\_\_\_\_ breakfast and after that, I take Charlie, my dog, for a walk in the park and we \_\_\_\_\_ soccer together. He's a really good player. Later on, I \_\_\_\_\_ a shower (not always) and in the evening I visit friends. We \_\_\_\_\_ video games or \_\_\_\_\_ a movie. On Sunday I wash Charlie and then go shopping with my mom. I \_\_\_\_\_ my homework in the evening (not always) and then \_\_\_\_\_ TV or play my guitar. I \_\_\_\_\_ to bed at around 10.

what about you? are your weekends interesting e-pal?

Write and tell me.

I'm attaching a photo of me in Charlie, by the way

Take it easy!

Alex
