Da-dom-dom-dom-dom

Central

The \_\_\_\_\_ on the ground

angels

The love in the air

The sleigh bells are \_\_\_\_\_

year

This is what it's all about

The fire is warm

first

The \_\_\_\_\_ are singing

snow

And I don't wanna miss a \_\_\_\_\_ thing

could

Don't wanna put end to all this cheer

But as \_\_\_\_\_ as you're with me

put

It's always the \_\_\_\_\_ of the \_\_\_\_\_

always

You make every day feel like it's \_\_\_\_\_

never

\_\_\_\_\_ wanna stop

Feelin' like the \_\_\_\_\_ thing on your \_\_\_\_\_

wishlist

Right up at the top I can't deny what I'm feelin' inside

time

Nothin' fake about the way you \_\_\_\_\_ me to life

me

You make every \_\_\_\_\_ feel like it's Christmas

Every day that I'm with you

ringing

Look at the \_\_\_\_\_

lights

Twinkling \_\_\_\_\_

four

Twenty \_\_\_\_\_ seven

Every inch of \_\_\_\_\_ Park

thing

Is covered in white

long

This \_\_\_\_\_ be heaven

single

And I don't wanna miss a single \_\_\_\_\_

Don't wanna \_\_\_\_\_ end to all this cheer

bring

But as long as you're \_\_\_\_\_

Christmas

It's \_\_\_\_\_ the time of the year, yeah (woo)

bright

with

You make every day feel like it's Christmas (like it's Christmas)

Never wanna \_\_\_\_\_

Feelin' like the first thing on your wishlist

inside

Right up at the top I can't deny what I'm feelin' inside

that

Nothin' fake about the way you bring me to \_\_\_\_\_

wish

You make every \_\_\_\_\_ feel like it's Christmas

stop

Every day that I'm with you

beating

Woo woo woo

first

Yeah (every day that I'm with you)

you

\_\_\_\_\_ day, every \_\_\_\_\_

list

You make every day feel like it's \_\_\_\_\_

deny

Never \_\_\_\_\_ stop

wanna

Feelin' like the \_\_\_\_\_ thing on your \_\_\_\_\_

make

\_\_\_\_\_ up at the top (I can't deny)

life

I can't deny what I'm feelin' \_\_\_\_\_

Nothin' fake about the way you bring me to life

every

You make every day \_\_\_\_\_ like it's Christmas

right

Every day that I'm with you

feel

Hey, hey, yeah, yeah

Baby La la la

night

I can't \_\_\_\_\_ what I'm feeling inside

No matter the \_\_\_\_\_, no matter decision

Christmas

My heart will keep \_\_\_\_\_, you better believe

reason

You \_\_\_\_\_ every day feel like it's Christmas (like it's Christmas)

Every day that I'm with \_\_\_\_\_

Every day that I'm with you

Every day \_\_\_\_\_ I'm with you
