

Multiplicaciones sin llevadas.

1. Realiza estas multiplicaciones:

$$\begin{array}{r} 112 \\ \times 4 \\ \hline \square\square\square \end{array}$$

$$\begin{array}{r} 532 \\ \times 3 \\ \hline \square\square\square\square \end{array}$$

$$\begin{array}{r} 234 \\ \times 2 \\ \hline \square\square\square \end{array}$$

$$\begin{array}{r} 186 \\ \times 1 \\ \hline \square\square\square \end{array}$$

$$\begin{array}{r} 230 \\ \times 3 \\ \hline \square\square\square \end{array}$$

$$\begin{array}{r} 912 \\ \times 4 \\ \hline \square\square\square\square \end{array}$$

$$\begin{array}{r} 534 \\ \times 2 \\ \hline \square\square\square\square \end{array}$$

$$\begin{array}{r} 721 \\ \times 4 \\ \hline \square\square\square\square \end{array}$$

$$\begin{array}{r} 922 \\ \times 3 \\ \hline \square\square\square\square \end{array}$$

2. Contesta:

$2 \times 4 = \square$

$7 \times 9 = \square$

$2 \times 5 = \square$

$7 \times 7 = \square$

$8 \times 6 = \square$

$7 \times 6 = \square$

$6 \times 5 = \square$

$8 \times 7 = \square$

$8 \times 8 = \square$

$5 \times 3 = \square$

$3 \times 3 = \square$

$1 \times 2 = \square$
