

## LISTENING

1. Listen to a radio programme about a fiesta (festival) which takes place in the Spanish town of Catoira. Before you listen, read through sentences 1-8, then as you listen, complete the sentences.

USE ONLY ONE WORD

### THE TORRES DE OESTE FIESTA

The festival has been an annual event since  
1 [ ] in this part of Spain.

The festival commemorates the 2 [ ] of  
the ancestors of local people.

Crowds are entertained by 3 [ ] groups at  
two different venues.

Visitors to the medieval 4 [ ] are warned  
not to arrive late.

The highlight of the festival is when the town's 5 [ ]  
is captured by the so-called Viking  
invaders.

The arrival of the Viking ship is preceded by 6 [ ]  
on the rocks.

The Vikings wave their 7 [ ] about in a  
dramatic way.

The 8 [ ] which are cooked over bonfires  
are bigger than those many people might be used to.

2. Listen again twice and do the exam tasks below.

For 1-5, choose from A-H how the people felt initially about the building of nuclear power stations.

- A. I was determined to fight to stop them building one.
- B. I felt that research had proved it as a cleaner form of energy.
- C. I felt I knew too little about it to form an opinion.
- D. I regarded it as an unavoidable necessity.
- E. I believed the alternatives would not produce enough energy.
- F. I wasn't bothered where my power supply came from.
- G. I felt we already had more nuclear power stations than we need.
- H. I strongly objected to it.
