### *My favorite day by Harry potter*

Hi friends! My name is Harry Potter. I'm \_\_\_\_\_ and I'm eleven years old. I am a very good magician, just like my parents. I live in my school: the House of Gryfindor, in Hogwarts.

My favorite day is \_\_\_\_\_, I love this day! On Thursdays I go to school, so I get up really early. In the \_\_\_\_\_, I have breakfast with my best friends Ron and Hermione. Then, we have *Potions* and *Herbology* lessons. These are my favorite \_\_\_\_\_. After that, I play quidditch. This is my favorite sport because it's really fun!

In the afternoon, we have lunch in the dinning room. Lunch is my favorite \_\_\_\_\_, I usually have fried chicken and chips. After that, we spend some time playing with strange potions. We really enjoy this part of the day.

In the \_\_\_\_\_, when we finish our lessons, I take a hot shower and listen to some music. My favorite songs are "Obliviate" and "In Noctem". Finally, I have dinner and go to bed.

My school is strange because we never have classes on Fridays, it's amazing!

For all these reasons, Thursday is my favorite day.
