To whom it may concern,

I'm applying for the Project Manager position advertised through Jakarta Post. As shown in the enclosed resume, I have a strong academic background in Chemical Engineer graduated from Universitas Indonesia on 2007.

My current work as Project Management in various multinational company has given me firsthand experience in the challenge associated with the development of a successful Petrochemical Company. In addition, I have excellent managerial and communication skills both in Bahasa Indonesia as well as English.

This background, combined with over ten years of Ethylene Plant Operation as Project Management, has given me a unique perspective that would be particularly valuable in meeting the responsibilities of this position, as described in your position. I am an independent individual who is capable to work under pressure.

I would welcome the opportunity to meet with you to discuss my qualifications in more detail and look forward to hearing from you soon. Thank you for your time and consideration.

Sincerely,

Dian Sastrowardoyo
