I really like expensive, designer clothes brands. My mum says they're not (1) the money, but I love them! About six months ago, I saw some Dolce and Gabbana sunglasses that I really wanted to buy. I couldn't (2) them, because they (3) £120 and I only had £30! A friend offered to (4) me money, but I decided that I didn't want to (5) from anyone. I started to (6) my pocket money instead. Three months later, I found the same sunglasses on an Italian website for just £75. After I bought them, I noticed the name on them – Dolce and *Banana*! I didn't want to (7) my money on an imitation, so I returned them immediately.
