Grace's Diary

Monday 10th March

Morning It's early; Mum and Dad are still in bed. I got up early today because I'm so nervous! School starts at 8.45. I can walk to school from our new house. I've got my uniform ready: it's on the bed. I love my new green skirt! It's beautiful. I've got my lunch ready: sandwiches, an apple and a drink. I've got my pencil case and my books. I think I've got everything! But I'm still scared.

Afternoon I'm home! The children are friendly and I've got a new friend, Rose. She's funny, kind and she helps me a lot. My teacher, Mrs Little, is kind, too.

There's a great Art room! I love drawing and Art is my favourite subject. I hope the Art lessons are good at this new school.
